Sponsored links, affiliate tracking & commissions

Our website may contain adverts, sponsored and affiliate links on some pages. These are typically served through our advertising partners; Google AdSense, eBay Partner Network, Amazon Affiliates, or are self-served through our own means. We only use trusted advertising partners who each have high standards of user privacy and security. However we do not control the actual adverts seen / displayed by our advertising partners. Our ad partners may collect data and use cookies for ad personalisation and measurement. Where ad preferences are requested as 'non-personalised' cookies may still be used for frequency capping, aggregated ad reporting and to combat fraud and abuse.

Clickable sponsored or affiliate links may be displayed as a website URL like this; www.google.com or as a titled text link like this: [Sound System Hire Mid Wales](#).

Clicking on any adverts, sponsored or affiliate links may track your actions by using a cookie saved to your device. You can read more about cookies on this website above. Your actions are usually recorded as a referral from our website by this cookie. In most cases we earn a very small commission from the advertiser or advertising partner, at no cost to you, whether you make a purchase on their website or not.

We use advertising partners in these ways to help generate an income from the website, which allows us to continue our work and provide you with the best overall experience and valued information.

If you have any concerns about this we suggest you do not click on any adverts, sponsored or affiliate links found throughout the website.

This policy should be read in conjunction with our privacy policy.
